

DEFERRAL, SUSPENSION AND CANCELLATION POLICY AND PROCEDURES

PURPOSE OF THE POLICY

This policy and procedures outline Australian Federation College's approach to managing the enrolment of international students, specifically deferrals, suspensions and cancellations, and ensuring all required information about enrolments is entered into PRISMS.

This policy and associated procedures meet the requirements of Standard 9 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

POLICY STATEMENTS

STUDENT INITIATED DEFERRAL OR SUSPENSION OR CANCELLATION

International students can defer or suspend their studies. Australian Federation College allows the deferral or suspension of studies where evidence of compassionate or compelling circumstances can be provided by students.

Evidence of compassionate or compelling circumstances will be considered as part of the decision about suspension or cancellation.

Deferrals and leave of absences will be approved for up to 12 months. However, following this the student's enrolment will be cancelled.

International students may withdraw from their course at any time. Where an international student has not already completed six months of their principal course of study, their application will be assessed as per Australian Federation College's Course Transfer Policy and Procedures.

International students are entitled to a refund as per Australian Federation College's Fees and Refunds Policy and Associated Procedures.

PROVIDER INITIATED SUSPENSION OR CANCELLATION

A student's enrolment may be cancelled or suspended by Australian Federation College in a range of circumstances:

- Misbehaviour (i.e., not abiding by the Student Code of Conduct as outlined in **International Student Handbook**)
- Not paying course fees
- Not meeting course progress requirements.

Not paying course fees and not meeting course progress requirements will be managed as documented in the **Fees and Refunds Policy and Procedures** and **Course Progress Monitoring Policy and Associated Procedures**.

Any student who breaches the **Student Code of Conduct** as applicable to expected behaviour will be immediately suspended. Their case will be considered during the period of suspension and the student may then be reinstated or have their enrolment cancelled.

Where any of the above circumstances apply, the student will be contacted in writing with regard to the intended suspension or cancellation and the reasons for this.

Students will be able to access the **Complaints and Appeals Policy and Procedure** to appeal the decision within 20 working days of receipt of the decision.

Students will not be reported until the internal appeal process is complete, unless their health and wellbeing or that of others could be at risk.

Students are advised to contact the DHA to seek advice on their student visa.
